

JOE DUMPHY MEMORIAL GOLF SCHOLARSHIP APPLICATION 2023

Joe Dumphy Memorial Golf Scholarship, Inc. is a non-profit corporation formed in 2015 to honor the memory of Joe Dumphy. Joe was an outstanding student and golfer at North Forsyth High School who died in a car accident the summer before his sophomore year. Founded by his family and members of the community, the purpose of the foundation is to further Joe's vision.

Joe Dumphy was known for his academic ability, his talent on the golf course, and his commitment to serve in his community. While in high school Joe was an active member of the North Forsyth High School Golf Team and the Fellowship of Christian Athletes. Those who knew him well remember a young man with an incredible work ethic, an outgoing personality, and the ability to apply all his talents in his approach to life. Check out www.JoeDumphyGolf.org to learn more about Joe.

The \$5000.00 non-renewable scholarship is awarded to one student each year. That student must be a senior graduating from a high school in either Forsyth or Dawson County, play any level of golf, and plan to attend an accredited U.S. college or university the following fall. The scholarship will be awarded to the applicant who best exemplifies Joe's approach to life. The ideal candidate will excel academically, participate in activities that support his or her community, pursue extracurricular interests with an emphasis on golf, and have demonstrated leadership and solid, faith-based moral character.

Each year at the discretion of the JDMGS Board, based on funds available and the success of that year's community fundraising support, additional scholarships may become available to qualified students from any county in Georgia. Therefore, students from all Georgia counties who meet the criteria listed above are also encouraged to apply.
